

NOTICE

Regular Meeting
South Washington Watershed District
Wednesday, September 10, 2008 7:00 p.m.
Woodbury Public Works
2301 Tower Drive, Woodbury, MN

The South Washington Watershed District (SWWD) Board will be discussing installation of gated structures at Evergreen Wetland and Markgrafs Lake, relating to non-structural flood control management solutions for Wilmes Lake. Notice is provided to all City's, Towns and County's with in the affected area pursuant to Minnesota Statute 103D.729 Subd. 3.

Any City, Town, or County receiving notice shall submit to the SWWD Board of Managers concerns relating to the implementation of the project. The Board of Managers shall consider the concerns of the City, Town or County in the decision of the project. City's, Towns and County's may submit their comments regarding this project to the SWWD by **Wednesday September 24, 2008** to the SWWD office. Advertisement for bid will occur two weeks after comments are received.

Attached is a plan view of the project and location. If you have any questions, or need additional information please contact:
